Supervisor Smith opened the floor for discussion of the Town Budget. Supervisor Smith advised we will not be voting on the Town Budget until the meeting. Board decided to make the comments during the meeting. Supervisor Smith opens the hearing to public comment.

Ed Frankoviac made the comment the amount of overhead for administration is out of whack. If you did not do the assessor, you would not need as much money to run the Township. I would have liked to see what it was last year versus this year.

Trustee Guglielmi advised that last year’s budget was posted online prior to the budget.

Ed Frankoviac asked, what is it that you are looking to vote on?

Supervisor Smith advised, this is not a question and answer. This is public comments.

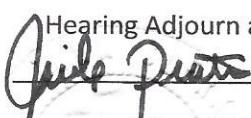

Ed Frankoviac: It looks like administration is very high for the amount of revenue. I wondered what other townships are spending for overhead compared to services that they provide.

Trustee Guglielmi advised he took last year’s numbers and compared to this year’s and went through and made adjustments. As far as the overhead, ours is very high compared to others in DuPage. I will get to that during the Board meeting.

Hearing no other public comments, Supervisor Smith advised the final vote will happen during the Board meeting and entertained a motion to Adjourn. Trustee Voelz made motion to Adjourn. Second by Trustee Guglielmi. No discussion. Motion carried on voice vote.
